건축

A08-031

A floor plan of a building with a triangular overall shape. The plan includes several rooms, corridors, and a central area labeled '2'. The building has a complex, irregular boundary. The central area '2' is a large, roughly rectangular space. To the left of this central area is a smaller room containing a desk and chair. To the right is another room with a desk and chair. The building has a small entrance on the right side, marked with a door symbol and the number '3'. The plan also shows various corridors and smaller rooms, including one with a staircase. The entire plan is enclosed in a rectangular frame.
